

**INTERDIPROS srl** Quality Policy is

Marketing  
high quality products  
with the aim of  
increasing and maintaining over time  
the elements that constitute added value for the Customer.

We believe that a large part of the value of a company is contained in the fundamental principles on which it bases its existence, as well as the effort with which it undertakes to apply them in everyday life.

**INTERDIPROS SRL**, for the achievement of its Quality Policy, is inspired by following principles:

**confidence**  
**total quality management**  
**dynamism**

We always do our best to build relationships based on respect and trust with our customers, suppliers and in our team. We work every day to ensure **confidence** to our Clients about their requirements for quality and safety are being achieved in the delivered product or service. Confidence of our management & staff that the requirements for product quality are being fulfilled & maintained, & that quality improvements take place.

**Total quality management** is that indicate all those operations carried out in order to ensure the highest possible quality of the product placed on the market. The operations we carry out in the context of total quality strategies are destined to have an effect on products and services offered to our customers.

**Dynamism** is, for us, energy or new and exciting ideas that bring about evolution and change.

In this sense, dynamism is what we get from our collaborators, as well as from Partners and Customers, to collaborate with those Companies that stand out in their sector.

We work hard so that the improvement of the **management system** always **supports the Customer's aims**. We work diligently to reduce costs by constantly reviewing internal and external work processes and specializations.

Certification of our Quality Management System , in compliance with the international standard UNI EN ISO 9001: 2015, must be understood as a tool for continuous improvement of our performance with a view to customer satisfaction and in respect of regulations, of the laws and regulated areas in which our products and services are carried out.

*In all this we believe with deep conviction.*
